The Mini-Veterinary program is where people, pets and science come together. Learn about the causes and treatments of the conditions that affect your pets, as well as some of the latest advances in veterinary medicine.

Series registration is \$60 per person. Individual dates are \$20 (reduced rates for students & seniors). To register call (716) 880-2306 or email ehudson@medaille.edu.

Program brought to you by the Niagara Frontier Veterinary Society and Medaille College.

Your veterinarian. Your other family doctor.
